## Branding Examples - Attendee Portals

Attendee portals have a registration page just like events. The registration page branding (logos, colors, and images) carries through to the portal. Portal layout and segment formatting options control how events and breakout sessions are listed on the agenda. Enhanced portals add tabs with additional ways attendees can interact.

Visit these example attendee portals to compare different navigation elements, event grouping options, and enhanced portal features. The portals are branded for Alltrek.

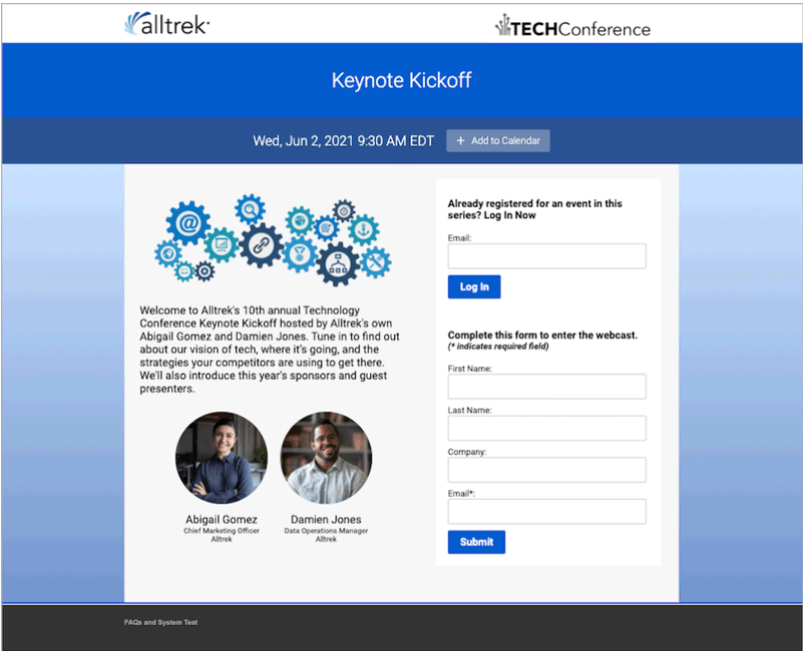

Portal Type	Registration Page Branding	Portal Layout & Features
<a href="#">Attendee Portal - Bar Layout</a>	Left and right logos on white banner White registration form Page background with gradient image	Search bar Tabs layout with 2 columns Events grouped in tabs by Broadcast Date

# Branding Examples - Bar Layouts

Bar layouts feature the event title and date prominently in colored bars across the landing page. They offer one- and two-column layouts that set the structure of the landing page and placement of the registration form.

Visit these example events to compare different registration layouts, banners, colors, and background treatments. The events are branded for Alltrek and Reynholm Industries.

Registration Layout	Brand	Registration Page Branding	Event Window Branding
One Column with background image	Alltrek	Left and right logos on white banner  Light gray registration container (#F7F7F7)  Page background with gradient image	Slides and presenter video  Sponsor logos  White player container  Light blue page background (#CBE2FE)

Registration Layout	Brand	Registration Page Branding	Event Window Branding
One Column with transparent banner	Alltrek	Left and right logos Transparent banner shows page background Light gray registration container (#F7F7F7) Light blue page background (#CBE2FE)	Slides and presenter video Sponsor logos Transparent player container shows page background Light blue page background (#CBE2FE)

Registration Layout	Brand	Registration Page Branding	Event Window Branding
Video-only Event (no slides or content tabs)	Alltrek	Left and right logos on white banner White registration form Light gray registration container (#F7F7F7) Page background with gradient image	Presenter video Sponsor logos White player container Light blue page background (#CBE2FE)

# Branding Examples - Open Layouts

Open layouts incorporate the event title and date in the body of the landing page. They feature full-page background images and more options for placement of the registration form.

**Note:** In Title Top layouts, you can set a background color for the registration container (the box that holds the registration form and landing page content). Side-by-side layouts don't have a registration container; landing page content displays over the page background.

Visit these example events to compare different registration layouts, banners, colors, and background treatments. The events are branded for Alltrek.

Registration Layout	Registration Page Branding	Event Window Branding
Title Top, Right Registration with transparent banner	Left and right logos Transparent banner shows page background White registration form White registration container Page background with full-screen image	Slides, presenter video, custom player tab Sponsor logos Transparent player container shows page background Dark green page background (#183200)

RegistrationLayout	Registration Page Branding	Event Window Branding
Title Top, Left Registration with a dark green registration container	Left and right logos on white banner White registration form Green registration container (#3A7821) Page background with full-screen image	Slides, presenter video, custom player tab Sponsor logos Transparent player container shows page background Player background with full-screen image
